INTERNATIONAL DEPARTMENT CAMPUS

Comfortable Living Surroundings for Students

The Campus of the International Department is located right next to the historic palace of Karlsruhe in the center of the city, only a few steps away from the main shopping street, yet very calm. It offers a high level of service and living standards: english-speaking service desk, Internet and additional services like washing facilities.

Students at the International Department live in 113 single and double rooms distributed over three floors. The rooms are comfortably furnished with their own bathrooms, while groups of four to nine students share a modern kitchen as well as dining and working areas. These shared sections all overlook an attractive courtyard that is used for various student activities, open air assemblies, and meetings. Intercultural exchange forms the basis of global networking.

In addition to this, 1-, 2-, 3-, and 4-room-apartments are offered as family, company, or professor apartments. All apartments are fully furnished and comfortably fitted with their own private bathrooms (2 bathrooms in the 4-room apartment), modern kitchen units including dish washers, parquet floors, and Internet access.
